Visual Difficulties Questionnaire (pre - 16 years)

If learner reports many/majority of these as 'often' or 'always' referral for Visual Stress (Meares Irlen) is recommended – contact your GP or local optician.

	Never	Rarely	Sometimes	Often	Always
Questions to Ask Parent/Carer/Tutor					
Does your child report headaches when they					
are reading?					
Does your child report that reading makes					
their eyes feel sore, gritty or watery?					
Does your child report feeling tired or sleepy					
during or after reading?					
Have you noticed your child become restless,					
fidgety or distracted when reading?					
Have you noticed your child rubbing their					
eyes when they are reading?					
Have you noticed your child screwing up					
their eyes when reading?					
Have you noticed your child tilting their head					
to one side when reading?					
Have you noticed your child moving their					
eyes around or blinking frequently when					
they are reading?					
Have you noticed your child holding a paper					
or book very close to their eyes when					
reading?					
How often does your child use a marker or					
their finger to keep their place when					
reading?					
Have you noticed that your child frequently					
loses their place when reading?					
Have you noticed your child covering or					
closing one eye when reading?					
Questions to Ask Child					
When you read, do you see two of each					
word?					
When you read, do the words you read look					
blurry (or fuzzy, or unclear)?					
When you are reading, do the words move on					
the page?					
When your teachers ask you to copy					
something from a screen at the front of the					
classroom, can you see what is written on the					
screen?
